### School Council

Join Ignace School Council!

Meetings are once a month for one hour

Have a say!

### School Lock and Lockers

All students are assigned a locker.

We encouraged students to keep their lockers locked, and school-issued locks must be used. (\$5.00 for a new lock and \$3.00 for a used lock)

All students are encouraged not to bring toys or items of value to school.

## School Supplies

All elementary and high school students taking gym class must have 1 pair of indoor shoes. Most supplies are provided for students. Students in grades 7–12 are to provide the following:

1 pkg. of 3 ring unlined paper  
pens, blue ink, 1 red ink  
1 set of coloured pencils

2 or 3 – 3 ring binders  
1 metric ruler  
1 math set

inexpensive calculator  
pencils, erasers

All students are required to have appropriate clothing and footwear for physical education classes.

## Healthy Students Policy

Students who come to school well rested and who eat healthy are better ready to learn and to regulate their behaviour/emotions.

Elementary students are not to bring pop, sugary drinks, candy, chocolate bars or chips to school. We appreciate that many parents ensure that their children have healthy snacks and we thank you for this.

## Student Learning

At Ignace School we are always looking at ways to maximize student learning. Electronic distractions as well as absenteeism have been identified as barriers to learning. Please know that students are expected to attend school regularly. If they do not an action plan will be put in place. Cell phone/ipods and other similar devices are not to be used/visible during class time. Thank you in advance for helping us!

every day counts
